

CORE THEME OBJECTIVES

Developed and approved by SPBC Jan 2011; reviewed by BOT March 2011 and OPCOM May 2011

Core Theme 1: Educational Attainment and Student Success

Objective #1: Students display high rates of progress in and completion of their programs of study.

Objective #2: The College provides opportunities for personal enrichment and professional development.

Core Theme 2: Program Excellence

Objective #1: The College maintains and develops standards-based, academically rigorous educational programs in response to data-driven assessments.

Objective #2: The College fosters excellent learning environments including all facilities and infrastructure.

Core Theme 3: Community Engagement

Objective #1: The community views the College as a local resource for professional training, lifelong learning, service, and enrichment.

Objective #2: Community members are involved in a variety of educational, social, and cultural activities and events at the College.

Core Theme 4: Access and Diversity

Objective #1: The College increases enrollment of underserved, underrepresented, and international students.

Objective #2: The College increases retention rates of underserved, underrepresented, and international students by providing the services necessary for their success.

Objective #3: The College recruits, retains, and develops a diverse college workforce.

Core Theme 5: College Stewardship

Objective #1: The College assesses, manages, and monitors its financial viability.

Objective #2: The College assesses, manages, and monitors its human resources.

Objective #3: The College assesses, manages, and monitors its facilities and infrastructure.
