

Guide to Use of Volunteers Questionnaire

Shoreline Community College welcomes volunteers to assist with on-campus activities in support of our students and programs. Volunteers are individuals such as students, unpaid interns, retirees, and/or members of the community who directly contribute their time and labor in areas such as event coordination, ushering/cashiering for events, acting in or assisting with musical/theatrical productions, and other academic program support activities.

Rules as found in Fair Labor Standards Act (FLSA), Section 3(e), 29 U.S.C. § 203(e)(4)(A), and 29 C.F.R. § 553.103(a) provide that individuals performing volunteer services for units of State and local governments will not be regarded as “employees” under the FLSA when: (a) the individual receives no compensation or is paid expenses, reasonable benefits, or a nominal fee, and (b) the individual is otherwise not employed by the same public agency to perform the same type of services as those for which the individual proposes to volunteer.
