RE: Exceptional Faculty Award Nomination Criteria

Each year since Fall 1998, the Shoreline Community College Foundation has received matching funds from the State Board for Community and Technical Colleges to be used for exceptional faculty awards pursuant to RCW 28B.50.844. The endowment established by these funds is used to annually recognize exceptional faculty at Shoreline Community College.

Any Shoreline administrator, alumni, classified employee, faculty member, foundation board member, student or trustee may nominate an eligible individual academic employee or group of academic employees for consideration. Faculty may also apply directly.

Criteria for Nomination: To be nominated for the award, the committee will consider an academic employee's or group of academic employees' service to the individual's or group's particular program or discipline which includes at least one of the following:

- Dedication, knowledge or expertise or exceptional achievement in a discipline, program or academic or professional specialty
- Outstanding teaching, advising/counseling or librarianship skills
- Recognition of superior service in the classroom, library or advising/counseling duties

Eligibility Criteria: To be eligible, an individual faculty member being considered must have the equivalent of nine [9] quarters of full- or part-time work (for a group of faculty members, a combined equivalent of eighteen [18] quarters of full- or part-time work) as a teacher, advisor/Counselor, librarian, or program chair. Any academic employee is eligible for consideration regardless of whether s/he has received other awards from the college.

An individual recipient of this award will not be eligible to receive another such award for a period of five (5) years. Group recipients will not be eligible to receive another group award for a period of (5) years.

The **Selection Criteria** and **Nomination Form** are attached below.
