How to state your interest in serving on a steering committee . . .

1. Select the steering committee that interests you. (Please limit your choice to one steering committee initially.)

- Learning Outcomes Assessment Steering Committee
- Communication, Marketing, and Community Engagement Steering Committee
- Disciplined Excellence Steering Committee
- Inclusive Excellence Steering Committee
- Ecological Sustainability Steering Committee

The Student Learning Experience Coordinating Committee is already constituted. The Strategic Planning and Budget Council recruits members through a separate process in fall quarter.

2. Think about the following question:

As a member of a steering committee, you will be responsible for considering the best interests of Shoreline Community College as a whole, rather than one operational area or constituency. What knowledge, skills, and abilities will you bring to the work of the steering committee, and how will such knowledge, skills, and abilities benefit the College as a whole in the implementation of its strategic plan?

3. Steering committees will have staggered three-year terms. Consider whether you would be most interested in serving initially for one, two, or three years.

4. You do not need to check with your supervisor before applying; instead, a member of the Executive Team will consult with supervisors about employee availability and workload implications.

5. Between June 1 and September 30, visit www.shoreline.edu/spsteering and complete the online form.
